## EXPERIENCE:

### Juanita High DECA

President

September 2022 – June 2024

- Mentored 150+ high school students annually in business knowledge and competitive strategies, increasing test and competition scores by an average of 65%
- Successfully organized mock competitions for students and delivered presentations on test preparation to students
- Achieved 3<sup>rd</sup> place at State Conference and qualified for International Conference

### Rina's Summer Camp

Founder/Instructor

April 2021-August 2024

- Founded, marketed, and instructed 6-week summer art camp for children K-12 over four consecutive years.
- Achieved average of 83% increase in enrollment each year and generated approximately 4,000 in revenue, reflecting popularity and impact
- Managed each aspect of the camp independently, proudly maintaining 100% satisfaction rate, with commitment to delivering a high-quality experience for both students and parents.

### Electric Boat Company, Seattle, WA

Front Desk Associate

July 2024-Present

- Responsible for excellent customer service, managing front desk operations, answering phones, emails, scheduling boat rentals, and processing payments

## VOLUNTEER EXPERIENCE:

### Wave Aquatics

Program Founder/Tutor

February 2023-June 2024

- Founded and coordinated peer-to-peer tutoring program within my swim team, spearheading initiative to support fellow swimmers in academic excellence.
- Designed curriculum, matched tutors with learners, and tutored students personally as well, strengthening team cohesion and personal development
